

Helm CONNECT: Personnel

Meet Crew Changes

Log crew changes, view crew certifications, and report on sea time.

- > Log and submit scheduled or emergency crew changes from your assets
- > Verify that your crew member's certifications are up-to-date when you log them onto an asset
- > Use timesheets to view and make multiple crew changes
- > Review the history of all crew changes on your asset
- > Track and report on crew sea time

“

“[We chose Helm CONNECT because] we were unhappy with our current system and Helm seemed more streamlined and user friendly for both vessel crew and office staff. Additionally it seemed the Helm crew was very helpful and updates were plentiful (as well as room to grow alongside our company). Our crew is more eager to learn and use it – the storage of information is much cleaner and more accessible than before.”
