

Helm CONNECT: Jobs

Meet Voyages

Manage Voyages, Logbooks, and Billing with unmatched clarity and precision.

Meet Voyages

Create and Manage Voyages

- > Seamlessly initiate and manage voyages both onshore and onboard
- > Ensure all activities are systematically organized

Integrates with Logbook

- > Capture detailed voyage information from start to finish
- > Improve visibility and accuracy in reporting

Streamline Reporting and Billing

- > Generate comprehensive reports tailored to your needs
- > Facilitate clear and accurate billing logs

Why Voyages?

Enhanced Transparency

- > Group logbook entries by voyages
- > Create clear, detailed reports for seamless communication with customers

Simplified Operations

- > Automate log entry associations
- > Reduce errors and administrative burdens

Improved Billing Accuracy

- > Ensure all billable activities are accounted for
- > Enhance financial transparency and customer satisfaction

Actionable Insights

- > Gain deeper operational insights
- > Optimize vessel performance and decision-making

Benefits for OSV Users

- > Facilitate efficient charter management
- > Ensure precise billing and operational oversight

Benefits for Non-OSV Users

- > Gain operational insights and metrics
- > Optimize vessel performance and decision-making
